

A SOCIAL STORY

# Throwing toys

Most children have lots  
of toys

they can be really fun to  
play with

Sometimes when I am  
feeling angry or upset I  
throw my toys

Throwing toys can break  
them

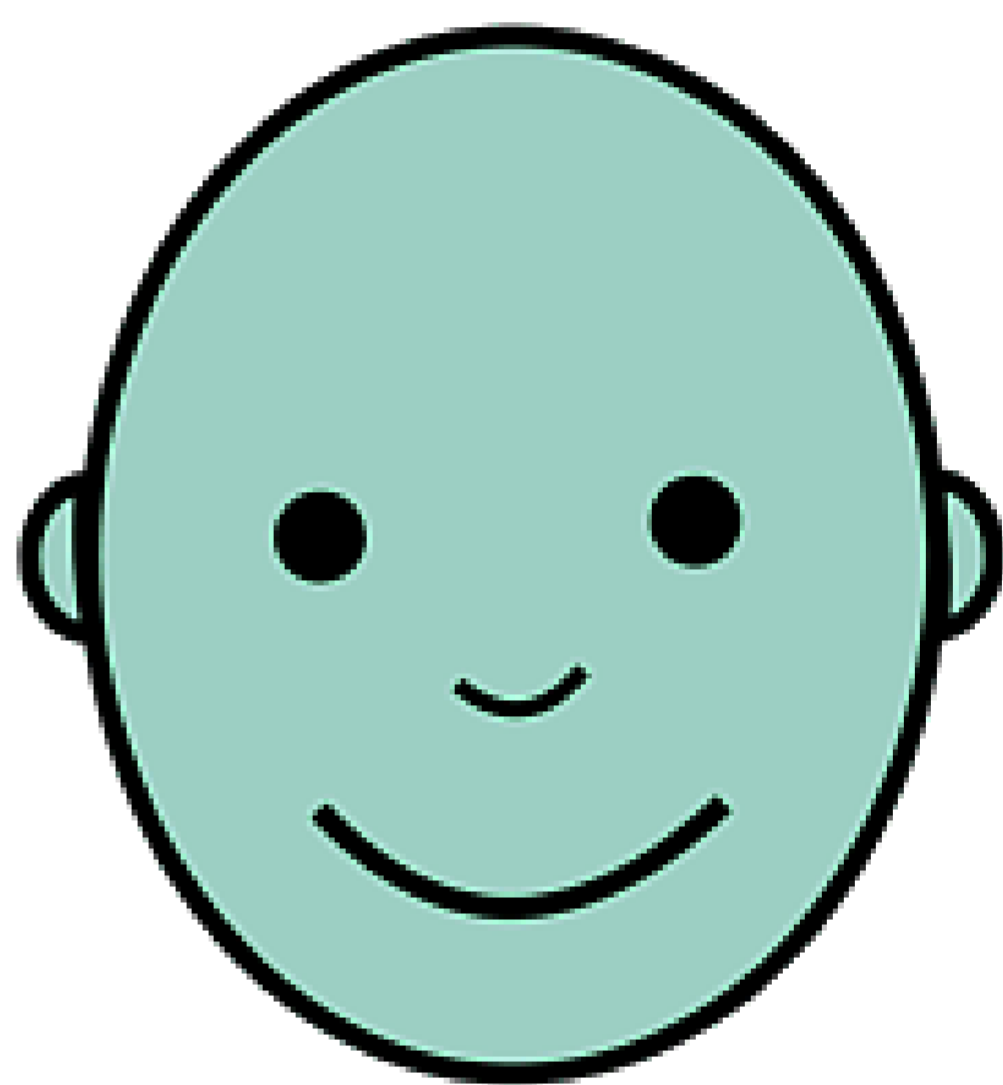

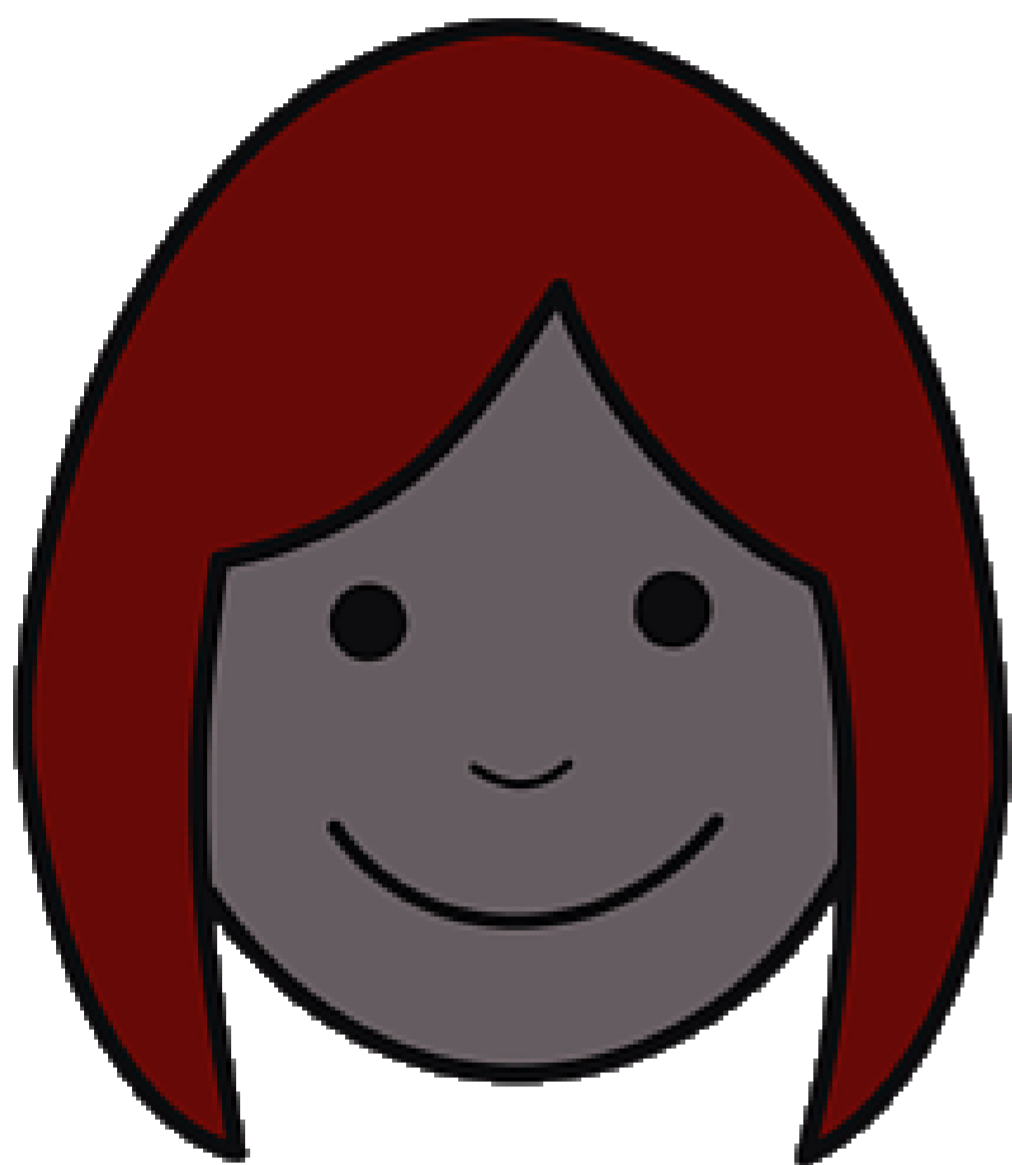

If my toys hit someone  
they could hurt them

# Throwing toys

is **NOT** okay.

If I don't throw my toys  
everyone will be happy  
with me

If I don't throw my toys I  
can feel proud.
