

A SOCIAL STORY

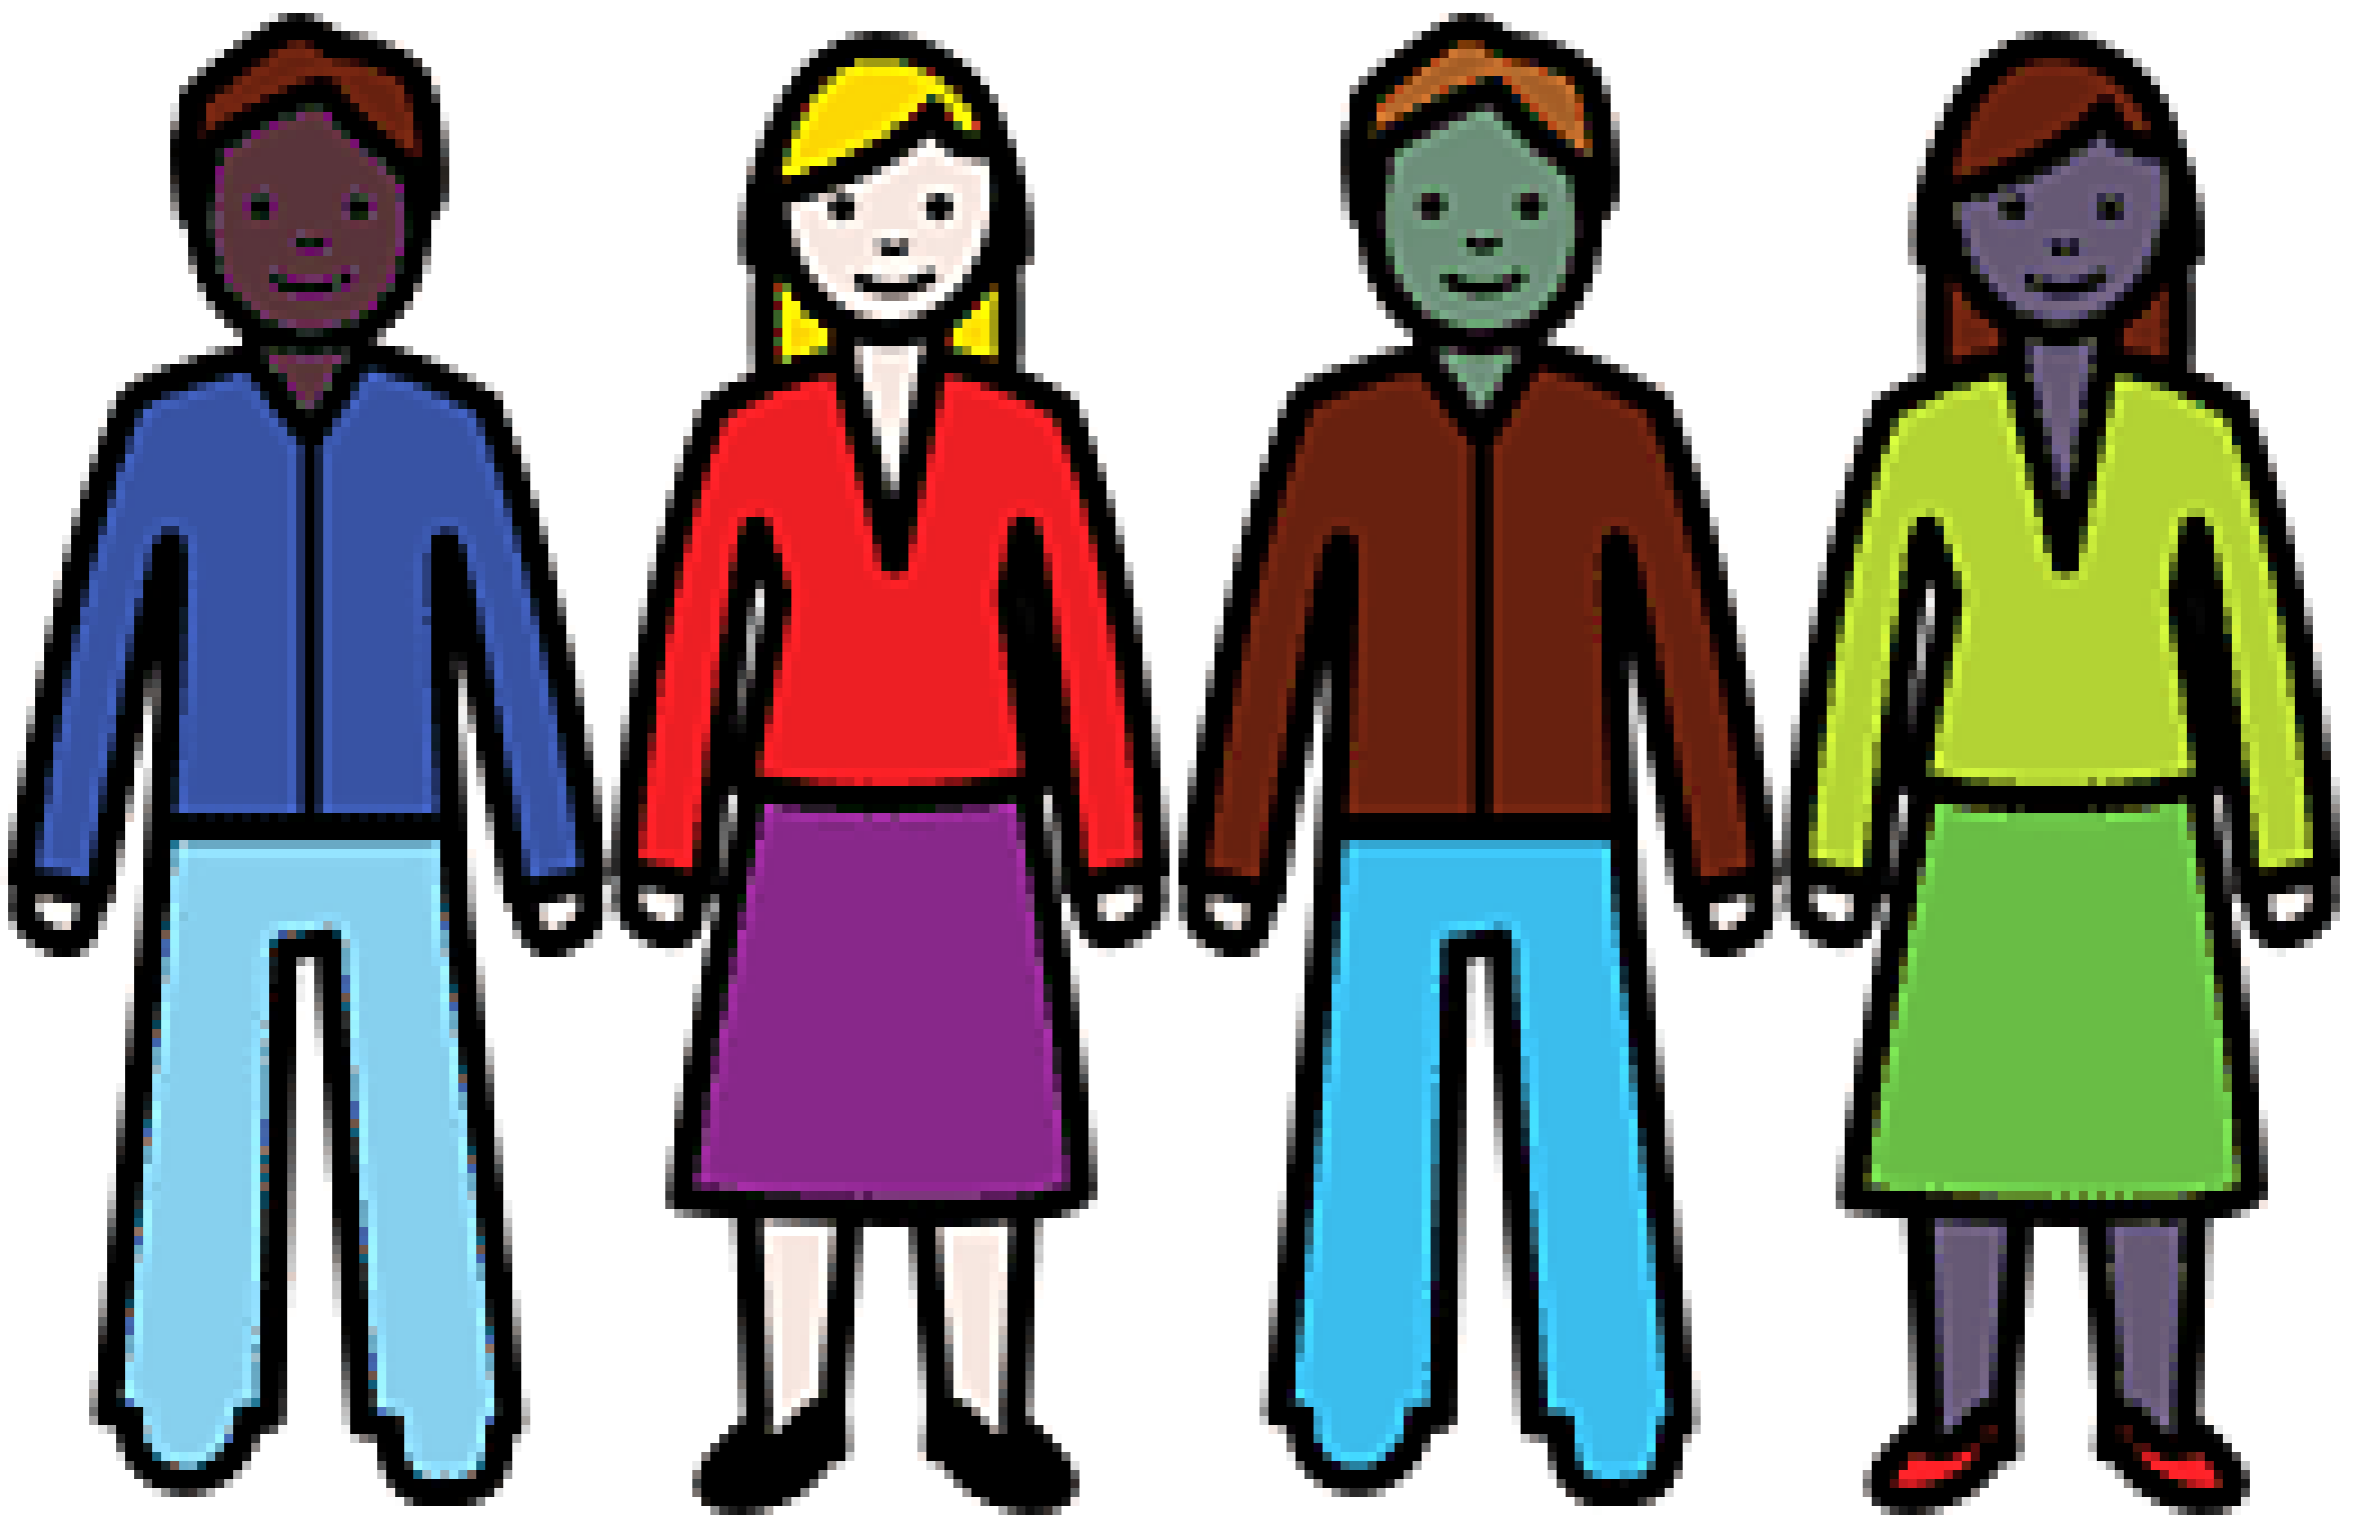

Running off

Going out for a walk can
be good fun, there is lots
to see all around

When I am out I must stay
with the adult looking
after me

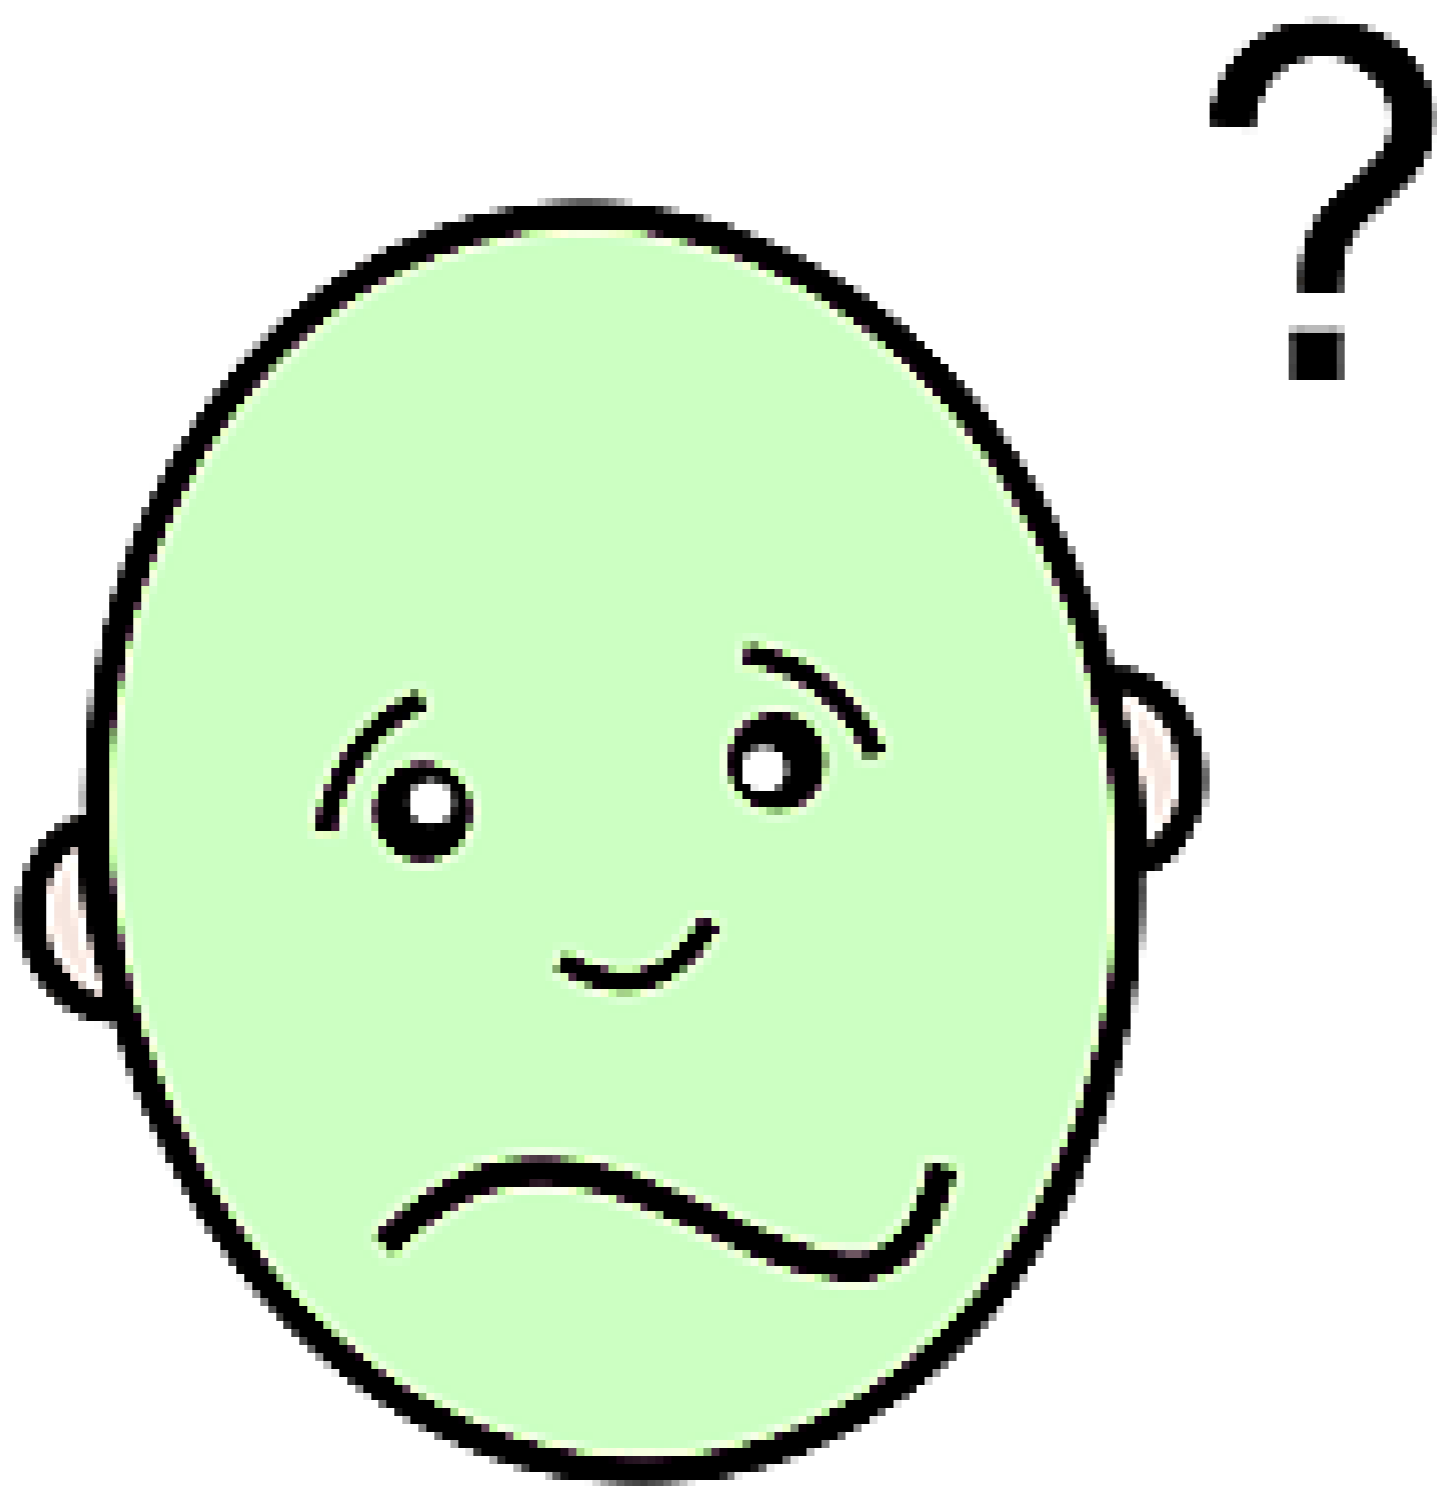

I must **NOT** run off

Running off is **NOT** okay

If I run off I might be hurt
or I could get lost

This would make everyone
sad

If I don't run off I can feel
proud and I will be safe
