

A SOCIAL STORY

Throwing toys

Most children have lots
of toys

they can be really fun to
play with

Sometimes when I am
feeling angry or upset I
throw my toys

Throwing toys can break
them

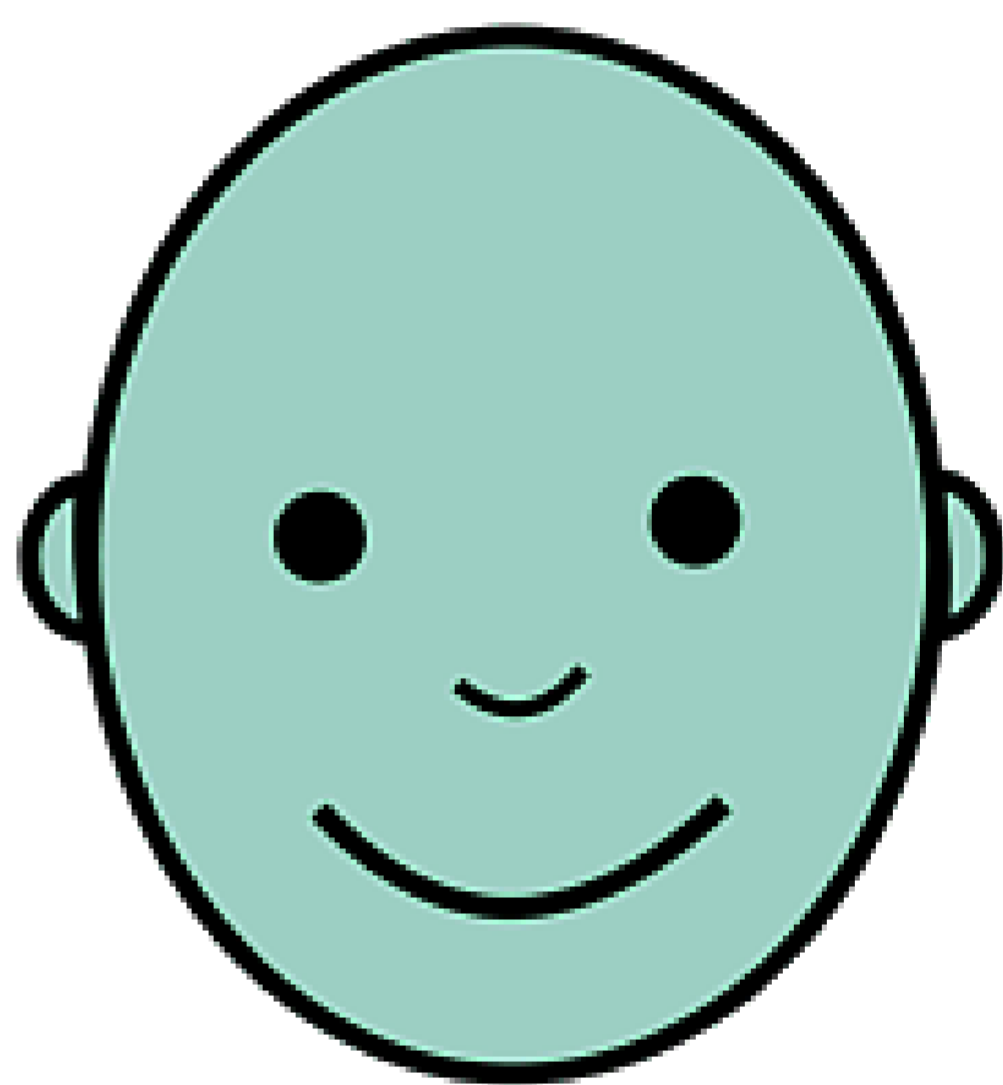

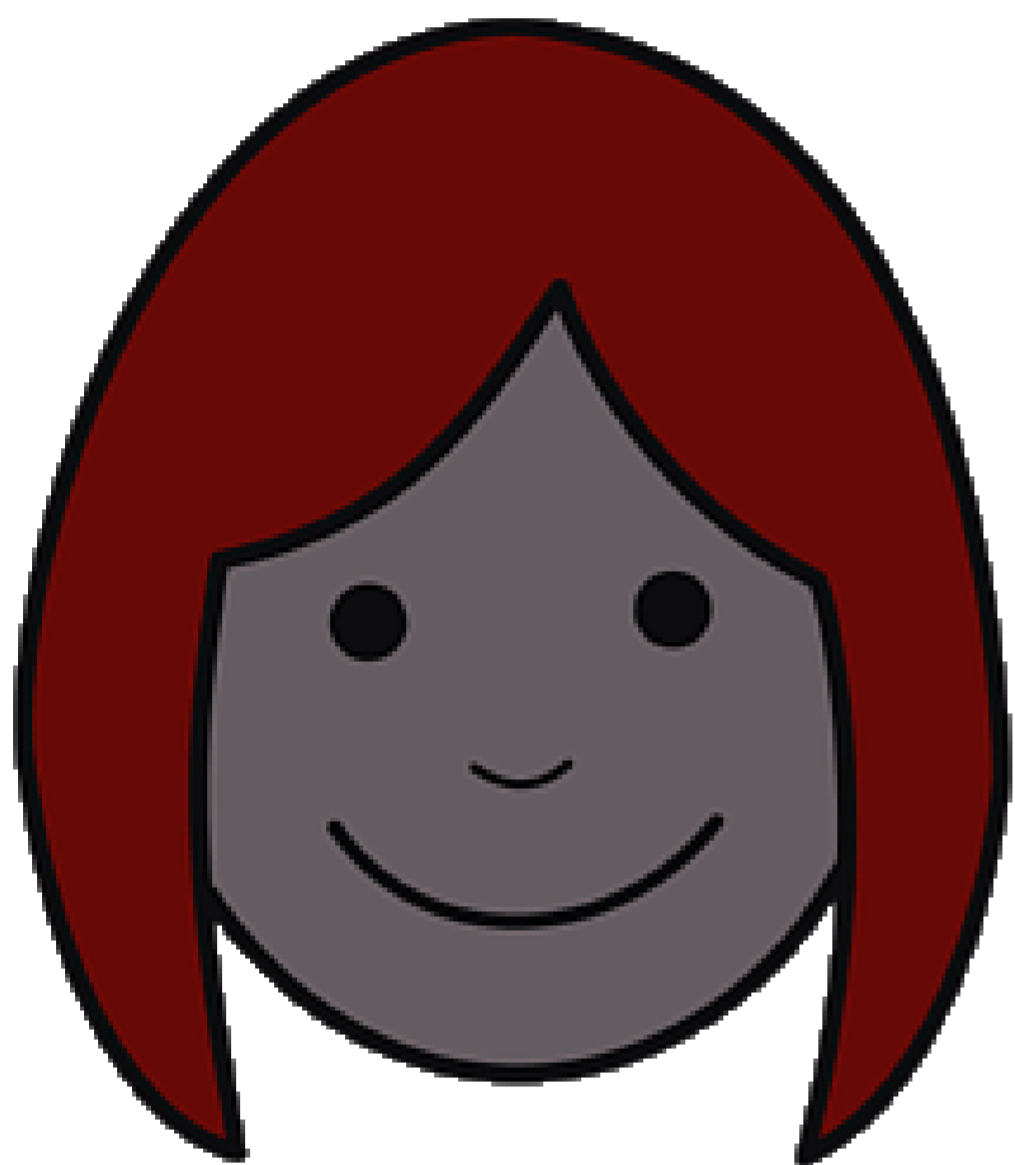

If my toys hit someone
they could hurt them

Throwing toys

is **NOT** okay.

If I don't throw my toys
everyone will be happy
with me

If I don't throw my toys I
can feel proud.
